#### Note:

Kindly note that applicant exporters are required to provide consignee particulars (country of destination) when submitting their application/s.

If this information is not available at the time of making an application, then this information should be provided within 14 calendar days after notification by ITAC that the issuing of the relevant export permit has been authorised.

Kindly further note that should the required information not reach ITAC within the provided 14 calendar days, such application will be declined and the applicant will be required to re-apply for the scrap metal in question.
